Hi Gratton

As promised contacts for housing advice - as Aidan suggests it may be useful to start with SHELTER, I think they will probably be up to speed with the political climate at present. The other thing that needs to be investigated is whether the fact that the children are still on roll at Gt Waltham primary (to the best of my knowledge) makes a difference to any application. I also have in my possession a little booklet called Complaint about the council: How to complain to the Local Government Ombudsman, which I hasten to add that Sarah Gardiner (Housing Officer) dn't look too pleased about me having and therefore my inclination would be to use it.

Sorry about delay in getting back to you but I have been pulled out since you called. The Shelter office in Colchester could be a good place to start. Good luck
